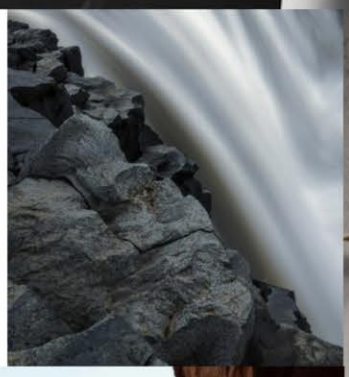
CERAMONDO

La Ceramica Di Alta Qualità



Collect Moment Not Things

The Call of the Nature

Embito combines the aesthetic qualities of several different stones originating from the south of France, alternating the typical characteristics of sedimentary stone with the more compact look of sandstone to create a unique style and personality. The result is an elegant and original collection, available in textured and honed versions.

A Unique Experience Different Surface

Our Vision

We continue lead in the market with new innovative design and win the trust of our valuable customer worldwide by continuously providing excellent quality product.
